Greetings from the Minister of Citizenship, Immigration and Multiculturalism

On behalf of Prime Minister Stephen Harper, and the Government of Canada, I would like to extend my warmest congratulations to the Armenia – Canada Chamber of Commerce on the occasion of your successful establishment in Canada.

The foundation of the Armenia – Canada Chamber of Commerce will be of great benefit to both countries. As the Minister of Citizenship, Immigration and Multiculturalism, I support the aims and aspirations of your organization as outlined in your Mission statement. Your organization will be a great tool in the development of bilateral relations and increased trade between Armenia and Canada.

I am also pleased that the Armenia – Canada Chamber of Commerce will also be focusing on social events that will encourage the exchange of ideas, values and cultures between Armenia and Canada. Through such events, we are all given the opportunity to share and appreciate the various traditions of our families, friends and neighbours. Canada is a great pluralistic success story, but it is contributions like these that will help make that story even greater.

Congratulations and best of luck in all your future endeavours.

Sincerely,
